FROM THE OVEN...

What started as a form of therapy during the early stages of perimenopause has grown into one of the Treasure Valley's most unique cottage bakeries.

Founded by Laura Beth Ramirez, *B;tches Be Bake'n* combines a passion for baking, creativity and humor, into every small-batch sourdough creation.

From breads, to rolls, to cookies, to brownies (and so much more!), *B;tches Be Bake'n* focuses on creating items that customers won't find just anywhere.

In their innovative test-kitchen, *B;tches Be Bake'n* creates fan-favorites, but there's always something new and exciting to discover.

Laura Beth's personal favorite, the "B;tch Be Gone Brownies," reflects the bakery's fun personality and willingness to push the boundaries of traditional baking.

"New Menu items that promise to make you question things in a good way!" – Laura Beth Ramirez

The bakery's name, although cheeky (in the very best way), actually has a meaningful story behind it. Laura Beth chose "*B;tches*" as a playful nod to navigating the challenges of perimenopause—later replacing the "i" with a semicolon to raise awareness for Mental Health Care.

Looking ahead, customers can expect new menu items designed to "make you question things—in a good way!"

Beyond the baked goods, Laura Beth is most grateful for the friendships and connections she has built throughout the Treasure Valley community.

208 Cleanup is an Idaho-based non-profit founded by Mike Long.

The nonprofit brings together volunteers who share a passion for keeping Idaho's public lands free from illegally dumped trash and litter.

This organization's efforts remove everything from tires, furniture, and appliances to everyday trash—with the goal being to maintain and restore Idaho's natural beauty and to “preserve access” to public lands— one project at a time.

From small cleanup events to big cleanup events, you'll often find other businesses and organizations teaming up with 208 Cleanup to provide dumpsters, food, supplies, and volunteers to make these efforts possible.

These cleanup events are always looking for extra helping hands- if you would like to help keep Idaho clean be sure check out 208 Cleanup's Facebook and/or TikTok pages to volunteer and find their next clean up event.

"FRESH FISH."

-ZOCS

See what **ZOCS Fresh Fish and Rocks** is bringing to your table!

What began as a way to support family through a challenging season of life has grown into a unique Treasure Valley business.

Located in Wilder, ZOCS Fresh Fish and Rocks was founded by Zach Parks and his family while serving as full-time caregivers for Zach's parents after both were diagnosed with cancer.

True to its family roots, ZOCS takes its name from the first initials-- Zach, Olive, Chelsea, and Saia--the family members who make the business possible.

Zach began raising fish at just ten years old and later earned a degree in Aquaculture. Zach's career has taken him across the "west rearing fish for various farms and agencies most recently trout for Utah Division Natural Resources."

Today, the business offers, what they believe is, the Treasure Valley's "only source for fresh live fish intended for consumption." In addition to fresh fish, the family enjoys creating cabochons for jewelry and other lapidary art.

When asked what they love most about doing business in the Treasure Valley, ZOCS responded, "The friendly customers we meet are the best!"

Looking ahead, ZOCS Fresh Fish and Rocks hopes to "offer a larger variety of fish for our customers."
