Opdolow: The Market App

We had the pleasure of sitting down with JoAnna Morgan, Founder and Chief Marketing Officer, of **Opdolow: The Market App**.

JoAnna explained that “Opdolow is a centralized marketplace app connecting event organizers, vendors, and local communities.” The app allows Organizers to post events, vendors discover and apply, and locals find what’s happening nearby—all in one place.

JoAnna says, “Beyond the app, Opdolow offers The Market Hub newsletter and podcast, delivering strategies, insights, and real stories to help vendors grow, organizers streamline events, and communities thrive.”

Opdolow is as easy as “Scan. Connect. Grow.”
